PLA as a Tool for Creating a More Educated Georgia

-
- Y Career-changers are a rich source of teachers.
 - Y More than 40% of students nationally are self-supporting adults age 24 or older. This population brings potentially creditable experience that can accelerate time to graduation.
 - Y PLA provides a way to build on workers' skills and increase transferability.

A System View: Enablers of Change

- ÿ Fit with goals and strategic plans of both organizations;
- ÿ Move to Outcomes-Based Teaching;
- ÿ Consultants Morry Fiddler and Catherine Marienau;
- ÿ PLA Coursework;
- ÿ Grant resources.

PLA Pilot Project: A System View
